Branston Church of England Infant Academy

Reading News: Term 1

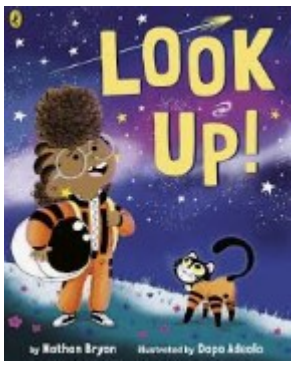

Welcome to the first edition of Branston Church of England Infant Academy's Reading Newsletter. In school, we all love to read and hear stories being read to us. It is an opportunity to delve into unknown worlds and meet new, exciting characters. Within our news letter, we'll be sharing updates about what we are doing to promote reading across our school as well as highlighting our favourite books. Book reviews and recommendations are welcome from all members of our school community including parents! We hope that our termly newsletter will promote a love of learning within our whole school community.

Miss Sneyd's book of the term.

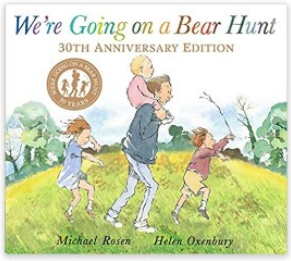

3 ... 2 ... 1 ... LIFT OFF. Lets go on an adventure with Rocket in this amazing debut children's book by Nathan Bryon and it is beautifully illustrated by Dapo Adeola . Rocket is an science enthusiast who wants to be the greatest astronaut, star-catcher, space-traveller that has ever lived! But she needs to convince her big brother Jamal to stop looking down at his phone and start **LOOKING UP** at the stars.

It is a heart warming tale of a child who wants to be immersed in the natural world and space, exploring what it has to offer. There is a strong message to make sure that we don't get too involved with our tablets or phones and ensuring we make the most of what is around us.

Classic children's story

This book always gets a cheer from the children when we read it in class. The repetitive phrases and rich use of language has meant that this has been a children's classic for many years. The children love to join in with the story and it is a brilliant way to engage your child in early story telling. You can follow the family as they travel across the countryside to find a bear. Their hunt turns out to have a surprising and unexpected ending!

Reading Ambassadors

This term we welcome our 'Reading Ambassadors'. These children will help to prompt a love of learning throughout the school by helping to lead reading challenges, look after our library area, suggest books which the children may like as well as many other important reading related jobs.

Dear parents/ carers,

We would love to hear about your favourite books that you enjoy reading with children. Please share your suggestions through your child's Class Dojo page. We would like to share your 'top picks' on our Reading Newsletter too! If you would like to share pictures of you reading your favourite book with your child, then we would love to share these too in our 'Reading at Home Gallery!'

We look forward to hearing from you!

Happy reading!
