Term 4

February 2026

Welcome to Term 4 in Squirrel Class.

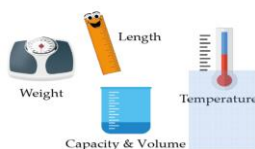

I hope that you have had a lovely half term break and are ready for all of the amazing activities that we have planned for this term.

This Term's value is:

In English we will be reading the beautiful book - The Big Book of Blooms by Elisa Biondi and Yuval Zommer. We will also be writing our own poems.

How We Measure

In Maths we will be recognising coins and notes and solving money problems before moving onto length and height problems. We will also be working on 2-, 5- and 10-times tables.

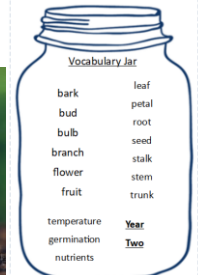

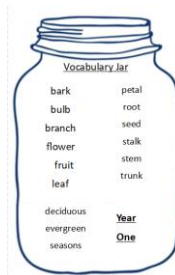

Homework We always look forward to sharing homework in Squirrel class. Homework will be handed out each week on Wednesday and is due in on Monday. Please can all homework be completed in pencil.

As part of the children's homework, we ask that you read at least 3 times a week with your child. This will really help them to build their reading fluency skills.

Thank you!

Our topic this term is Seeds, soil and sunshine.

The Big Question

Year One	Year Two
Why is each part of a plant important and how do the seasons affect them?	Do all plants need to same conditions to grow and stay healthy?

In science we will be looking at how plants grow and how they are affected by the seasons, exploring if all plants need the same things to stay healthy and taking part in some exciting investigations such as making grass pets in Year One and growing a bean in a bag in Year Two. In RE we are reading the parables of The Good Samaritan and exploring how Christians believe humans should live their lives. In Design Technology we will designing and making a rainbow salad. In Computing we will be creating digital music using a program - Chrome Music Lab. In PE we will be continuing to develop our gymnastic skills. In History we will be finding out about the life of Sir Joseph Banks who was a famous, scientist, explorer and botanist.
