PSHE & RHE

Resource Bank

Quality Teaching and Learning requires quality resources.

At Branston Church of England Infant Academy, lessons are carefully planned and structured to provide the best outcomes for all.

As well as requiring quality resources to support lessons, a wealth of resources is also required to support individuals throughout the day.

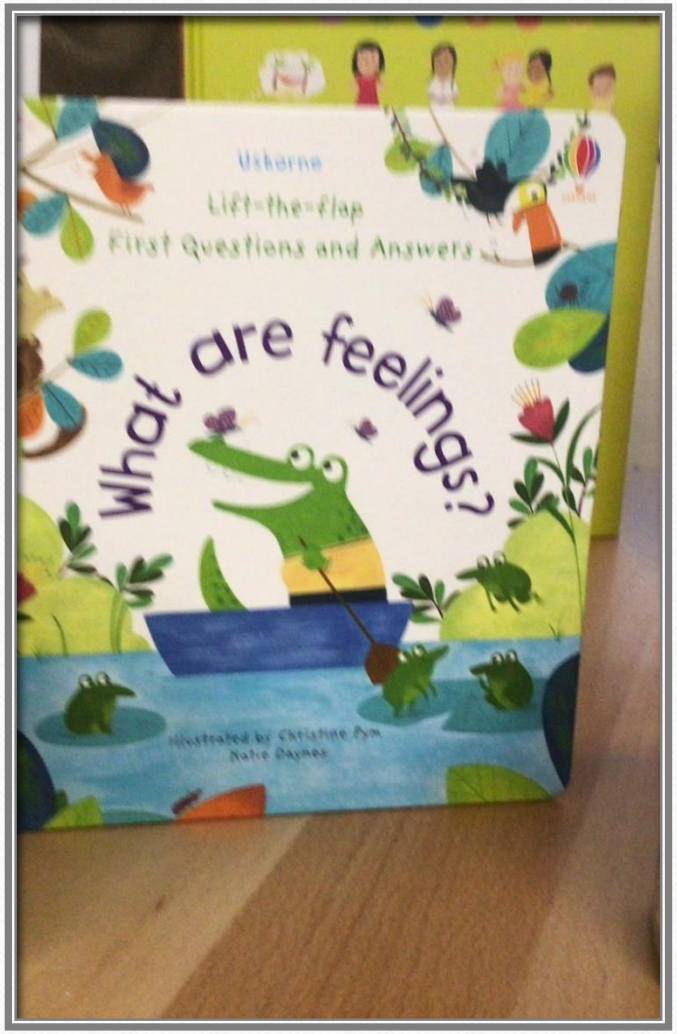

This booklet provides a sample of the wonderful resources held throughout the school.

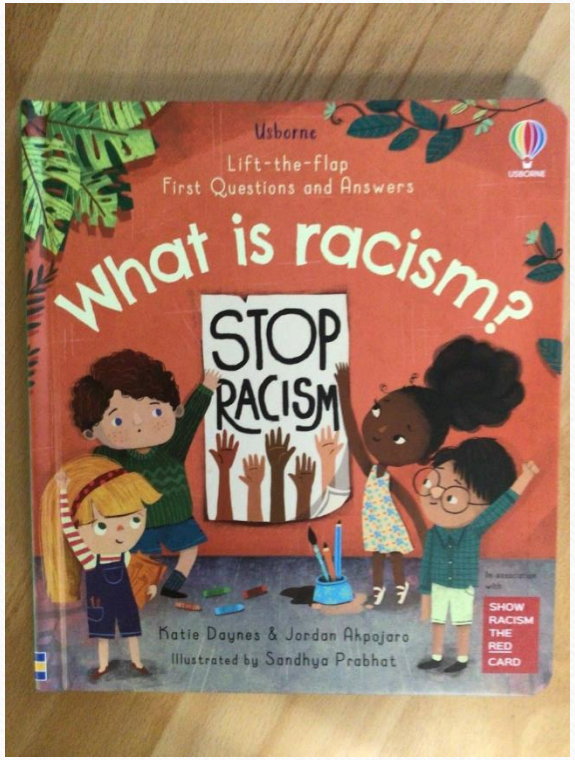

A library of knowledge.

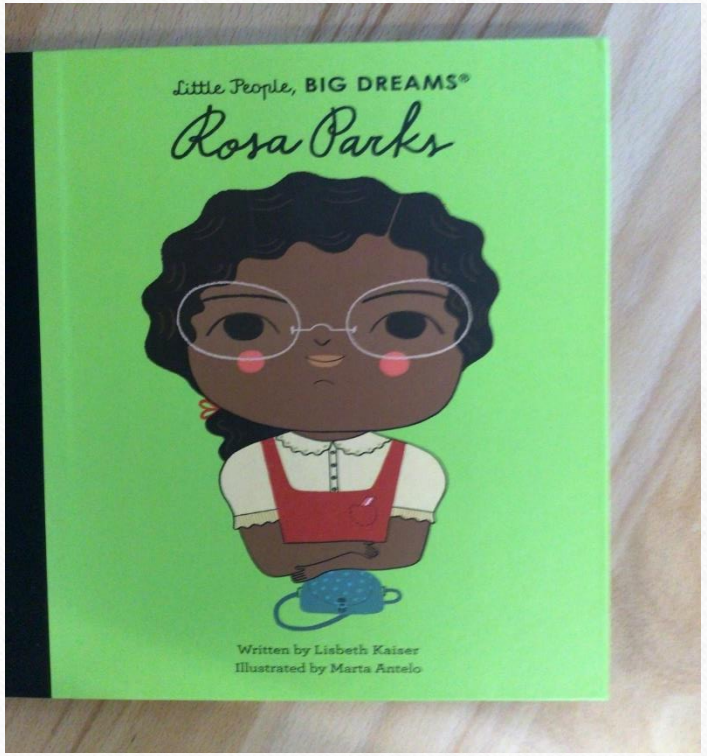

Reading is at the heart of our curriculum. By promoting quality texts to support learning, we are encouraging reading through the curriculum.

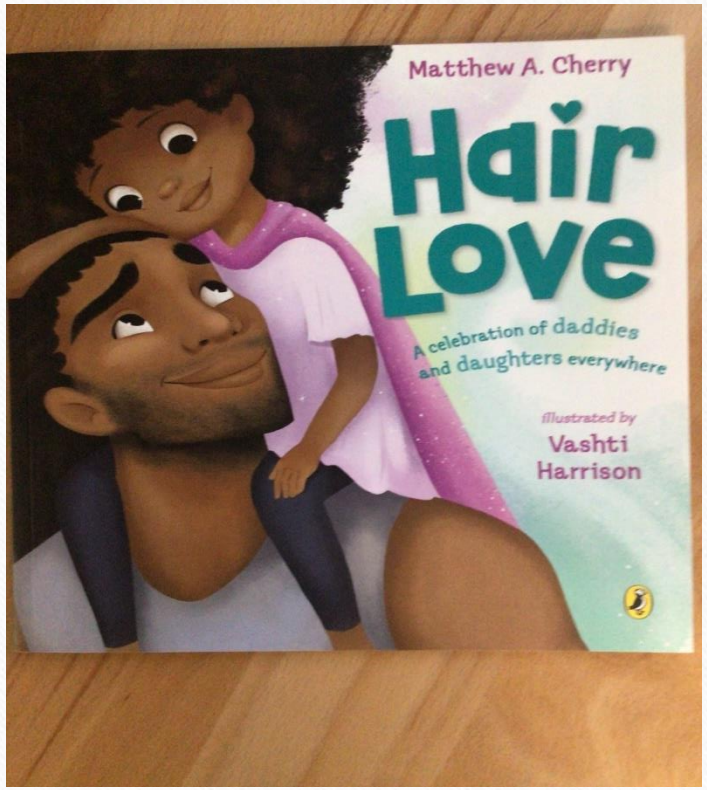

Please take a look at the wonderful wealth of books we hold in school.
