Fantastic Foxes Newsletter

UK Explorers!

We become explorers this term, starting our journey in our local area of Branston, then venturing out around the UK and ending our trip in our capital city, London, to answer our big question this term:

Why is London our capital city?

In Geography, we will also be creating maps and identifying landmarks including the key human and physical geographical features of Branston and the UK.

We will be taking part in Remembrance and celebrating odd socks day in PSHE.

In Science we are going to be identifying and naming a variety of common animals. Then categorising them into different groups including fish, amphibians, reptiles, birds and mammals.

While in London we will be designing, making and evaluating a vehicle to go on our tour of London in DT.

In RE we continue to answer the question: What is a human being?
By looking at Muslim and Sikh worldviews.

Our PE days continue to be Tuesdays and Thursdays. This term we are working on our attacking, defending and teamwork.

In Maths we are going to be adding, subtracting and beginning to look at 2D shapes.

Our focus text in English is The Snail and the Whale by Julia Donaldson. We will also be writing our own poems.

We also have lots of exciting Christmasy activities and events to look forward to!

Our whole school value this term is

RESPECT

#TeamBranston
