Term 2 – Homework: UK Explorers

Please practice subtraction skills using the White Rose One Minute App. Please choose a level appropriate for your child.	Draw a picture of the national flowers or animals of each country in the United Kingdom. 	***Say a poem*** – learn a poem off by heart. Grey Wet Play Day Listen to the actor read the poem – can you read the poem using expression and actions? A copy of the poem can be found in your homework books.
How many shapes can you spot in one room in your house? You may wish to take a picture of the shapes or draw them. Please label the shapes with their correct names. You can also name their properties (i.e. square—4 sides and 4 corners).	Let's keep moving during these cold months. Try one of these dances based on the theme of BBC Winter Wonderland. 	Make two dice using the nets we have provided. Roll the dice together. Add the two numbers together. Challenge: roll the dice three times and add the numbers together. How many number problems can you solve in 3 minutes? 
Play this fun, interactive game to practice your place value knowledge. Select the appropriate level for your child, Please play the following game **three times in one week** and initial when your child has completed the task.	Research one of the countries which makes up the United Kingdom. You may like to create a PowerPoint presentation, fact file, poster or leaflet. 	Draw a picture of a place you might like to explore. This could be a rainforest, dessert, Antarctica or wherever your imagination takes you.
