Hedgehog Class Homework

Autumn Term 1: Wonderful Me

Please download and use the White Rose One Minute App and complete the subitising games.	Listen to two or three stories read by authors and celebrities! You can either choose a story from this page or click on the link which takes you to more Story Time videos. Enjoy! (Please scroll down to the bottom of the page).	Practice spelling 'tricky' words correctly using this online game. Select the correct year group for your child then click on the bird houses to choose the words.
Draw, create or photograph a family portrait. You can send your photographs to your class teacher (don't forget to include your pets!). 	Can you ask three different people from your family what their favourite song is and why they like that song? You could ask different generations for their recommendations. 	Take part in a number hunt within your local area. How many numbers can you find? What are the largest numbers and smallest numbers you discover? Can you write the numbers in order from smallest to largest? 
Play this fun, interactive game ordering numbers. Select the appropriate level for your child. Please play the following game **three times in one week** and initial when your child has completed the task.	Draw or write about your favourite book from home. Please create poster which will be displayed in our Reading Corner in school. 	Create a 3D map of your local area.
